

ELF PETS: A SAINT BERNARD TRADITION

Have you ever wondered how Santa makes it around the world in one night, or how he's able to carry all of those presents? He uses Christmas magic! Find out where this magic comes from in this heartfelt story, which centers around Saint Bernard pups that Santa sends to families around the world to adopt. Together, kids and their Saint Bernard pups can help create this magic by being kind and helping others.

Elf Pets® are special North Pole animals you can adopt and love. Sent straight from the North Pole, each Elf Pet® comes with a special illustrated storybook and an official adoption certificate.
